Parent Newsletter – December 2, 2022

## From the Principal

Well, the cold winter weather has returned, and we want to remind our students to dress appropriately for the weather. Please let us know if your child needs a winter toque, as we have had a very generous donation from one of our parents. During our TIGER Traits Assembly, we again focused on **Integrity**, and Mrs. Dibben introduced a schoolwide challenge to participate in Random Acts of Kindness! A big thank you to all our parents/guardians for braving the cold weather and coming out to parent/teacher Interviews this week. We had a fantastic turn out! These are important and intentional conversations, and really help us as a school to be able to work with you as partners in education. Thanks as well to our school council for providing childcare on both evenings and to the young people that provided it and had fun with the children in our gym! It was cool to see some parents getting right in there and reliving some childhood memories too!

## Fee Waiver Application Deadline

If circumstances exist where you're unable to pay school or transportation fees, you can apply to have [fees waived](#) by submitting an [Application for a Waiver of Fees](#). The application deadline is Dec. 15, 2022. If you're new to the Division, the deadline is the latter of Dec. 15, 2022, or 45 days after registration.

To access your fee information, simply log in to the [PowerSchool Parent Portal](#) and go to "Student Fees." There you can view your fees and pay them online using Visa or MasterCard. All fees are due within 30 days of being posted.

Don't forget to also log in to the PowerSchool Parent Portal regularly throughout the year. Fees are often added to your child's account to cover the cost of various school activities such as field trips, class projects, extracurricular activities and more.

For more information about school fees, waivers and payment deadlines, visit <https://www.eips.ca/schools/fees>. Alternatively, contact Mrs. Carlson at Bruderheim School at 780 796 3936.

## Returning Student Registration for 2023-24

Elk Island Public Schools (EIPS) will once again conduct an online returning student registration process to confirm student registrations for the 2023-24 school year. Families of all current students—with the exception of graduating Grade 12 students—must complete the process to confirm the school their child plans to attend in the 2023-24 school year or advise the Division of their plans not to return to EIPS. Additionally, students who want to attend a non-designated school need to make that request through the returning student registration process—acceptance is based on available space. The 2023-24 returning student registration takes place Feb. 1-28, 2023.

Access to the Returning Student Registration Form is provided through the PowerSchool Parent Portal. If you don't have a [PowerSchool Parent Portal](#) account, you need to set one up before Feb. 1, 2023.

## From The Library

Many thanks for the donations that have already started to come in! We are continuing to accept your generosity to our Bruderheim School's Mitten Tree. Many years I have headed up this outreach program and it is always rewarding. We will proceed the same as other years. If you could promote the Mitten Tree to your students and their families... we will collect pairs of **new mittens or gloves** in the library. Each time a student brings in a pair, they will receive a candy cane and a small thank you card. In January, I will get them to downtown Edmonton to have them handed out. Last year we collected over 70 pairs!

There is also a few good story books to read about mittens should you wish to do so. Much thanks for all the support. Merry Christmas (too early??)

## For Your Information

The County of Lamont Food Bank will be accepting Christmas Hamper applications from November 10th - December 8th, 2022. Please call 780-619-6955 to register or for more information". Thank you.

## Inclement Weather

With the winter season almost here, we want to remind families to dress children appropriately for the weather when getting ready for school or the bus. The weather often changes unexpectedly throughout the day, so please select suitable outerwear and ensure your child is prepared for changing conditions.

If inclement weather conditions occur, Elk Island Public Schools (EIPS) advises families of any bus cancellations using various communications tools—automated- telephone messages, alerts posted on [www.eips.ca](http://www.eips.ca) and school websites, Twitter, Facebook, local radio stations, and notification through both the Bus Status and the Ride 360 apps. Morning bus cancellations are posted on [www.eips.ca](http://www.eips.ca) by 6:30 a.m.

Decisions regarding bus cancellations are guided by EIPS administrative procedures that state, “school bus service may be suspended...when there is a forecast or current temperature of -40 C, including wind chill factor, in one or more regions.”

Other reasons for suspending or delaying school bus services include adverse weather and poor road conditions. When school bus services are suspended, schools remain open to students. EIPS believes families have the right and responsibility to make choices for their children based on their beliefs and perceptions of safety during times of inclement weather.

For more information, contact EIPS Student Transportation at 780-417-8151.
